# **Product datasheet**

Specifications

APC Back-UPS Pro, 900VA/540W, Tower, 230V, 6x IEC C13 outlets, AVR, LCD, User Replaceable Battery

BR900MI

#### Overview

| Lead time | Usually in Stock |
|-----------|------------------|
|           |                  |

#### Main

| Mairi                     |                                    |
|---------------------------|------------------------------------|
| Main Input Voltage        | 230 V                              |
| Main Output Voltage       | 230 V                              |
| Rated power in W          | 540 W                              |
| Rated power in VA         | 900 VA                             |
| Product or component type | Uninterruptible power supply (UPS) |
| Input Connection Type     | IEC 60320 C13                      |
| output connection type    | 6 IEC 60320 C13                    |
| Battery type              | Lead-acid battery                  |

#### **Batteries & Runtime**

| Run Time                               | View Runtime Graph ☐    |
|--|-------------------------|
| Efficiency                             | View Efficiency Graph ☐ |
| Number of battery filled slots         | 0                       |
| Number of battery free slots           | 0                       |
| Battery recharge time                  | 12 h                    |
| Number of battery replacement quantity | 1                       |
| Battery voltage                        | 12 V                    |
| Battery capacity                       | 9.4 Ah                  |
| Battery charger power                  | 11 W rated              |
| Battery life                           | 35 year(s)              |
| Replacement battery                    | APCRBC164 ☐             |
| Extended runtime                       | 0                       |

#### **General**

| Provided equipment                  | user manual<br>USB cable |
|-------------------------------------|--------------------------|
| Number of power module free slots   | 0                        |
| Number of power module filled slots | 0                        |
| Redundant                           | No                       |

## **Physical**

| •                   |                    |
|---------------------|--------------------|
| Height              | 19 cm              |
| Width               | 9.1 cm             |
| Depth               | 31 cm              |
| Net weight          | 7.1 kg             |
| Mounting preference | No preference      |
| mounting mode       | Not rack-mountable |
| Two post mountable  | 0                  |
| USB compatible      | No                 |

## Input

| Network frequency          | 50/60 Hz +/- 3 Hz auto-sensing |
|----------------------------|--------------------------------|
| Input voltage limits       | 176294 V                       |
| Maximum input current      | 10 A                           |
| Switching current capacity | 10 A                           |

## Output

| Maximum configurable power in W  | 540 W                               |
|----------------------------------|-------------------------------------|
| Output frequency                 | 50/60 Hz +/- 1 Hz sync to mains     |
| UPS type                         | Line interactive                    |
| Wave type                        | Stepped approximation to a sinewave |
| Maximum configurable power in VA | 900 VA                              |
| Transfer time                    | 10 ms typical : 12 ms maximum       |

## Conformance

| Product certifications | A-Tick<br>C-Tick<br>CE<br>EAC<br>RCM<br>TISI                                       |
|------------------------|--|
| marking                | GS Mark  |
| Standards              | EN/IEC 62040-1:2019/A11:2021<br>EN/IEC 62040-2:2006/AC:2006<br>EN/IEC 62040-2:2018 |

## **Environmental**

| Ambient air temperature for operation | 040 °C                        |
|---------------------------------------|-------------------------------|
| Relative humidity                     | 095 %                         |
| Operating altitude                    | 010000 ft                     |
| Ambient air temperature for storage   | -1545 °C                      |
| Storage Relative Humidity             | 095 %                         |
| Storage altitude                      | 0.000000000015240.000000000 m |
| acoustic level                        | 45 dBA                        |
| Heat dissipation                      | 16.4 Btu/h                    |

## **Communications & Management**

| Control panel | Multifunction LCD status and control console   |
|---------------|--|
| Alarm         | Alarm when on battery : distinctive low battery alarm : overload continuous tone alarm |

## **Surge Protection and Filtering**

| Noise suppression | Full time multi-pole noise filtering : 10% of IEEE surge let-through : zero clamping |
|-------------------|--|
|                   | response time: instantaneous   |

## **Packing Units**

| Unit Type of Package 1       | PCE            |
|------------------------------|----------------|
| Number of Units in Package 1 | 1              |
| Package 1 Height             | 25.5 cm        |
| Package 1 Width              | 14.3 cm        |
| Package 1 Length             | 44 cm          |
| Package 1 Weight             | 8 kg           |
| SCC14                        | 10731304346941 |

## **Contractual warranty**

Warranty 2 years repair or replace, 3 years repair or replace for European Union countries

**Green Premium**<sup>TM</sup> **label** is Schneider Electric's commitment to delivering products with best-inclass environmental performance. Green Premium promises compliance with the latest regulations, transparency on environmental impacts, as well as circular and low-CO<sub>2</sub> products.
